

# MOTHER'S DAY AT MPH

We couldn't miss the opportunity to celebrate our terrific mums with a lovely tea party at MPH. Our mums were invited to some treats and activities to join in with their children in the different areas, making the most of the sunny weather. Our Discoverers used their baby room, toddlers had the best times in our nursery garden and our big pre-schoolers took a trip to the community area. Look at all the fun they had across the different rooms, and all the love shared to our mums in their special day. HAPPY MOTHER'S DAY!
