

SPRING PARTY

Last Friday, we invited our parents to enjoy the new season with a “Spring Party”. What a wonderful day we had! All our children and team members dressed up with flowers and spring colours to welcome our parents for an afternoon party. Every team had an allocated spot like their room, garden and community area, with plenty activities prepared to keep strengthen the bonds in our community between us and the parents. We enjoyed every second of it and we are looking forward to our next reunion.

PRESCHOOL ROOM

Our big children welcomed their parents in their room and showed off their creativity by setting up an animal small world play full of natural resources and different bugs and animals. They also enjoyed the afternoon making flowers arrangement with their parents, exploring their senses with different colourful playdough and creating their own piece of art to remember the event.

TODDLER ROOM

Our explorers brought the party to the community garden with plenty of games and activities to enjoy the special company. They had a blast with their photobooth, face painting, flower picking activities and football game. Hurray!!

BABY ROOM

Our little discoverers filled in our garden with nursery rhymes, bubbles and lemonade shop to welcome our parents to this event. We had a great time with sensory playdough, moving our school bus all around the garden and enjoying the funny faces for our photobooth
