

JEANS FOR GENES

On the 23rd of September we raised money for Jeans for Genes which is the annual fundraising event for the genetic disorder community. All our children and staff wore their “jeans” and joined in many activities like colouring, arts and crafts and baking, to commemorate the occasion and raise awareness.

Every room contributed to fundraise money for the cause with a baking sale and an incredible ‘Jeans competition’. Thanks to our parents’ generosity , we have collected £ 77.

Here are some of the pictures that summarize the great day we had.

Children and staff member wearing their jeans at nursery

Our "explorers" designed and decorated their jeans for the competition to collect some money for the cause

Our "explorers" cooked delicious oat treats, measuring and mixing ingredients for our baking sale.

Our "inventors" joined in arts and crafts along with some funny jeans pictures to raise money for the cause

Our “discoverers” cooked delicious raspberry cake and joined in decorating jeans for the occasion.
